In accordance with MCU General Provisions for Study, all undergraduate students must pass the requirements for Service-Learning, English Proficiency, Information Technology Proficiency, Chinese Proficiency, Sports Ability, and Basic Professional Skills in order to graduate.

1. Additional course credits in teacher education program, outside DAJ department may not be included in the total number of credits required for obtaining a Bachelor's degree. 2. No blocking enforced. 3. To attain graduation eligibility, undergraduate students admitted in the 2010-11 academic year and beyond must meet the graduation requirements specified in these procedures and the enforcement rules for Service-Learning, English proficiency, Information Technology proficiency, Chinese proficiency and Sports capability, as well as the professional competencies stated in these regulations. 4. Beginning with those enrolling in the academic year of 2008, students are required to take at least 12 credit hours of General Education courses. There are three disciplines within General Education – Humanities, Social Science and Natural Science. The courses are categorized into "Core Courses" and "Extended Courses" under each discipline. To meet the graduation requirements, students are required to take at least one 2- credit-hour course in each category of each of the disciplines. 5. The department admitted elective credits outside the department, to a maximum of 19 credits; in addition to the institutes on "credits learning process" outside credits, if elective professional courses outside the department, the same system must be limited to 3 subjects or more, granting recognition. 6. The elective course outline can be applied retroactively to students entering the university from the 1998-2012 academic year.

Additional course credits in general education, teacher education program, outside DAJ department may not be included in the total number of credits required for obtaining a Bachelor's degree

- 2. No blocking enforced.
- 3. The elective course outline can be applied retroactively to students entering the university from the 2000-2011 academic year.
